

## JACQUI MARTIN

Working for NSW Public Schools as School Admin Manager for the Riverina Environmental Education Centre, and as a mother having raised 4 fabulous humans, education of our young people is close to her heart. Jacqui has always found a place to volunteer within our community. Jacqui is thrilled to be representing Taster Property Inc. to help raise the profile of this charity in their infancy, in providing enriching opportunities for young people. What she lacks in vocal ability, she more than makes up for with gusto, enthusiasm and a quirky sense of humour!

## BILL ROBERTSON

Bill is an expert and enthusiastic entertainer who has become a regular in many Cabaret and Musical Theatre productions around the Wagga area including: Tumbafest, La Festa, The Awesome 4some, Vegas on Show, The Christmas Countdown, The Boy from Oz, My Fair Lady, Oliver, Rock of Ages & Wicked. He is also the lead singer of local Party Band 'Whos the BOSS' as well as lead singer for the hard rock band 'The Recreational Rockstars'.

He is thrilled to be supporting such a great cause.

## THE PEOPLE CAME TOGETHER...

Taster Property Inc is a non profit founded by dedicated members of the community. Taster Property started as an idea for the community to help young people find their path in society. Conversations were born and they ignited action, leading to the creation of Taster.

## IN A WAY NEVER ATTEMPTED BEFORE...

Taster Property's vision is to develop and operate a range of self-sustaining social enterprises committed to offering innovative ready-for-work programs that engage the mind and imagination of youth in a way never attempted before.

Each Taster Property enterprise will operate with the intention of offering unique and creative opportunities for youth to develop the skills necessary to gain employment in rewarding careers. Our enterprises will enrich the local community through the direct provision of local services or products forging a direct link between our ready-for-work participants and the local community.

## SAFE AND ENRICHING...

The project's primary focus is to provide a safe and enriching environment where young people can find their niche and direction, leading to traineeships, apprenticeships, and employment with holistic support from the Taster community.

## HOW YOU CAN BECOME INVOLVED...

Taster Property is supported by a vibrant community of individuals committed to developing a sustainable model that can be used by adapted by other communities and countries to suit their circumstances.

If you're interested in becoming involved in Taster Property or would like further information on how you can support the initiative email [home@tasterproperty.com.au](mailto:home@tasterproperty.com.au). Expressions of interest from people interested in joining the Taster Property Committee are also available. We'd love to hear from you!

## SHARED SUCCESS STORIES

In 2017, Taster ran a trial of it's ready for work program engaging 12 young people in the program. 10 of the participants secured long term, ongoing employment including 3 starting an apprenticeship or traineeship. Our participants gained employment in the hospitality, automotive, manufacturing, agriculture, retail and asset maintenance industries.

## OUR GREAT COMMUNITY

Already Taster has gained the support of over 70 businesses, organisations and individuals from the local community and around Australia. See them on our website.

## WILLING AND ABLE...

Each person involved comes from a diverse background and brings a unique perspective to the Taster Property initiative. We value creative thinking and new solutions. Taster Property places co-operation ahead of competition in order to achieve the best outcomes for all involved.
